### Good News category:

from Veterans For Peace: **"Los Angeles VFP Chapter Helps Pass Resolution to Ban the Bomb.** Veterans For Peace John Day Chapter 007 of Los Angeles, CA has been working with a coalition to support a resolution for the Los Angeles City Council that shows support for the Treaty on the Prohibition of Nuclear Weapons. The Resolution (Koretz) 18-0002-S94 was finally passed this week!"

from [winwithoutwar.org](http://winwithoutwar.org): "Did you hear the amazing news?! Our pressure worked: **The U.S. Army has ordered an immediate halt to kicking out immigrant servicemembers.** [1] Last month, Win Without War and our partners at Common Defense delivered your signature and 65,000 more to the Pentagon doors demanding Sec. of Defense Mattis halt and investigate the ousting of immigrant servicemembers. NBC covered our delivery. The Pentagon heard us. And we won! ... **We won't stop our pressure until all immigrant servicemembers already booted out are back at their jobs.**"

**"'Guilty on All Counts!': In Historic Victory, Monsanto Ordered to Pay \$289 Million in Roundup Cancer Lawsuit...** a court in California on Friday found the corporation liable for damages suffered by a cancer patient who alleged his sickness was directly caused by exposure to the glyphosate-based herbicides, including the widely used weedkiller Roundup... "This is a company that has always put profits ahead of public safety...We hope that... the U.S. Environmental Protection Agency will pull this product off the market immediately." [Read more in Common Dreams 8-10-18.](#)

### Ongoing Campaigns, Recent Past Events, and/or Issues not specific to Alaska

#### Peace

from Center on Conscience & War:  
**"We can End Selective Service (Draft) Registration now!**... Congress established the National Commission on Military, National, and Public Service as part of the compromise reached by the Conference

#### Justice

"Defenders of Civil Liberties, **Sen Lisa Murkowski** recently said that she hasn't heard much from Alaskans on Trump's Supreme Court nominee, Brett Kavanaugh. That needs to change.

#### Sustainability

*Northern Alaska Environmental Center:* "the Alaska Supreme Court ruled that, with some changes, the Stand for Salmon ballot measure can appear on November's ballot. Attorney Valerie Brown with Trustees for Alaska said, "So for the first time ever,

Committee during the 2017 NDAA (National Defense Authorization Act) process... to consider issues of national service, both military and civilian, including important questions about Selective Service registration: should it continue, should women be required to register, and are there changes that should be made to the Selective Service System, such as those [the] Center on Conscience & War has long advocated for, which would **protect the rights of conscientious objectors...**

"The Commission also needs to hear from people involved with church voluntary service programs about how proposals for mandatory national service will affect them.

**"Please submit written comments - - by September 30, 2018 -- through the Commission's [website](#), by email, using the subject line, "Docket 05-2018-01" <[national.commission.on.service.info@mail.mil](mailto:national.commission.on.service.info@mail.mil)>, or by mail: National Commission on**

**Military, National, and Public Service, Attn: RFI COMMENT—Docket 05-2018-01 2530 Crystal Drive, Suite 1000, Room 1029 Arlington, VA 22202.**

"For more information, or assistance drafting your comments, [[see this link](#)], &/or please call us (202-483-2220)"

**Proposed Military Conscientious Objector Act at bottom of linked page.**

\*\*\*\*\*

**"What is the #1 industrial export product of America? And ... what is your global marketing strategy for that product line?"** See the excellent video from the Global Network Against Weapons and Nuclear Power in Space. [space4peace.networkforgood.com](http://space4peace.networkforgood.com)

\*\*\*\*\*

8/10/18 from Friends Committee on National Legislation (FCNL): "**Contact your senators now.** Tell them that it's time to **end U.S. support for killing innocent children, widespread cholera, and man-made mass starvation.** They can start by blocking the latest bomb sale to Saudi Arabia.

"Yesterday, dozens of Yemeni children were riding a school bus, heading home from summer camp. At least 29 never made it. Their bus was hit by an air strike from the U.S.-backed, Saudi-led coalition that has been waging a devastating war in Yemen. We share full blame for the worst humanitarian crisis in the world. Despite attacks on weddings and markets and funerals and hospitals and water treatment facilities, we keep refueling the coalition's planes and supplying them with weapons.

-----  
"Vice President Mike Pence announced plans for to create a "Space Force" as the

**Kavanaugh's record shows he could be a threat to: birth control access, the Affordable Care Act and Medicaid, Planned Parenthood funding, LGBTQ+ rights, immigrant rights, and so much more!**

Previously we shared with you the 10 questions we'd like Murkowski to get answered from Kavanaugh before she votes on his nomination. Now we need Murkowski to hear your personal stories about how an opponent of some of our core values could impact your life." *from ACLU of Alaska (American Civil Liberties Union of Alaska)*

\*\*\*\*\*

**from credoaction: After picking California grapes for 10 hours in weather that was over 100 degrees, Asuncion Valdivia died from heat exposure in 2004.** She was 53. Her tragic death catalyzed California lawmakers to finally pass a law protecting workers from extreme heat.<sup>1</sup>

But California is one of only three states that protect workers from heat illness.<sup>2</sup> As climate change fuels scorching heat records, deaths like Valdivia's will become only more common unless the federal government acts to protect workers.

**Tell OSHA: Protect workers from extreme heat. Click here to sign the petition.**

\*\*\*\*\*

"[The] Aderholt **Amendment**, which was recently attached to the Labor and Health and Human Services appropriations bill.. **would give child welfare providers permission to discriminate against LGBTQ people in adoption and foster care services.**<sup>1</sup>

**Tell Congress: Block anti-LGBTQ bigotry. Block the Aderholt Amendment. Click here to sign the petition.**" *from Credoaction*

\*\*\*\*\*

**from ACLU\***: "What does the spread of artificial intelligence — in our homes, cars, offices and online — mean for our civil liberties? **Tune in to ACLU's "At Liberty" podcast to learn how we can protect our rights when decisions are being made by a secret algorithm**"

\*American Civil Liberties Union

\*\*\*\*\*

**from American Friends Service Committee:** "**What to do if you witness violence and harassment:** A year after white nationalists held a deadly gathering in Charlottesville, Washington DC is bracing for a weekend of rallies and counter protests. Here are dos and don'ts for safe and effective bystander intervention."

**Alaskans, if this passes, can participate in (the state-permitting) decisions for projects that would affect salmon habitat."**

**"Arctic Refuge... applications for seismic exploration have been submitted and are now open for comment, and it is as necessary as ever that we, especially Alaskans, continue to speak out for the protection of the Arctic Refuge.**

**"We're looking for an Arctic program coordinator to join our team; help spread the word! See the full description here.**"

\*\*\*\*\*

*from fairbanksclimateaction.org:*

\*\*\*\*\*

**from Union of Concerned Scientists: "EPA... proposal would make it significantly harder for EPA to use the best available science to protect the public, including from:**

- Harmful emissions of hazardous air pollutants, particulate matter and ozone
- Exposure to dangerous chemicals in commerce
- Drinking water contaminated with toxic chemicals such as PFAS or lead"

**Read more at [this link](#).**

\*\*\*\*\*

**"Curbelo introduces carbon pricing bill... A price on carbon places a fee on the burning of fossil fuels, which increases the demand for clean energy sources... You can read FCNL's analysis of the MARKET CHOICE Act and check out more resources... on FCNL's website. **Help address climate change by asking your representative to put a price on carbon.**" *from Friends Committee on National Legislation.***

\*\*\*\*\*

**from [info@cpdaction.org](mailto:info@cpdaction.org) 2-1-18:**

**Survivor of the deliberate 1967 deadly Israeli attack** on the USS Liberty, and kidnapped last week by Israel from the 2018 Gaza Freedom Flotilla! "Joe Meadors was a U.S. Navy Signalman on the USS Liberty, a signal intelligence platform ship, in the Eastern Mediterranean Sea when it was brutally attacked on June 8, 1967 by Israel, despite the fact that Israel knew it was a United States communications ship! The attack by the Israeli fighter jets and torpedo boats killed 34 U.S. servicemen and injured 174 others. Joe Meadors survived that deliberate and deadly attack.

In 2018, Joe Meadors was the U.S. delegate on the 2018 Gaza Freedom Flotilla and was on board Al-Awda ship carrying urgently needed medical supplies to Gaza...that sailed to break the illegal Israeli siege and military blockade on

**military's sixth branch.** It's a laughable concept, but it could add billions of dollars in military spending and exacerbate U.S. militarism. There's nothing funny about that."

\*\*\*\*\*

per Michael Slate show 8/8/18: Ann Wright, Ilan Pappe and Richard Falk: Gaza Freedom Flotilla Attacked and Israeli Apartheid Is Made Official with New Basic Law (Equivalent to Constitutional law.)

\*\*\*\*\*

*8/10/18 from FCNL: "Criminal Justice Reform* - Last week, Republican senators secured President Trump's support for important reforms to prison sentencing. [Read what FCNL's José Santos Woss wrote about the meeting.](#)

**"Midterm Elections** - The House and the Senate are on recess this week...[Here's FCNL's list of questions for candidates.](#)

Gaza, when Israel intercepted the ship in international waters on July 29, 2018 about 40 miles off the coast of Gaza, beat the captain and threatened to kill him, repeatedly tasered several crew members and delegates, severely injuring some! A medical doctor, Dr. Swee Ang, who was also on board Al-Awda ship was attacked on the head and body and ended up with two broken ribs! Israel then hijacked Al-Awda boat and kidnapped everyone on board including Joe Meadors. Israel illegally detained and jailed him for several days before deporting him to the United States. He arrived back to the U.S. on August 1, 2018..."

## Spotlight

Today we have an **audio interview with [Theo Sittler, who directs the peacebuilding program](#)** at Friends Committee on National Legislation and oversees the work of the peacebuilding team. Theo recently spent some time in Alaska and spoke in Fairbanks.
